We confirm conformity of the batch listed on this certificate to the above mentioned specification at the date of manufacturing.

It is hereby certified that the batch as listed in this certificate, was tested at the time of manufacture to the methods as mentioned above. The data contained herein are furnished for information only and are believed to be reliable. We cannot assume responsibility for the results obtained by others over whose methods we have no control. It is the user's responsibility to determine suitability for the user's intended use of the product and to adopt such precautions as may be advisable for the protection of property and of persons against any hazards that may be involved in the handling and use thereof. In the light of the foregoing, we specifically disclaim all warranties expressed or implied, including warranties of merchantability or fitness for a particular purpose, arising from sale or use of our products. Our liability is limited in any case to the typical and foreseeable damages provided there was no intent or omission on the part of our statutory agents and provided that no major contractual duty has been breached. This does not affect liability under any applicable and mandatory product liability law. The aforesaid limitation of liability also does not apply in the event of harm to life, physical injury or harm to health. In the event of intent or gross negligence, the statutory provisions apply.

This certificate is created by an electronic system and is valid without a signature.
